# Dateline - Ohio

**Dateline:** The dateline is a line of type that usually appears at the top of a news article. It tells in which city a news event has happened. It may also include the state or country and date.

- Scan the datelines in today's edition of the newspaper. Cut out six Ohio datelines and glue them in the space provided. Discuss each location.

- On the map, locate the position of each dateline you have selected.

- Select one of the articles with an Ohio dateline. Read and discuss the article to determine if the article is positive or negative about Ohio.
